Greetings Career Development Practitioners!

The chill of yet another fall is in the air ... and we return to work, and to the classroom, supporting job seekers and employers, planning presentations and job fairs, and career development events of all kinds. OACDP Hamilton is happy to announce our 6th Annual General Meeting, with guest speaker Judy Travis from HTAB (Hamilton Training Advisory Board) with the latest report for the Hamilton Region. Join us for dinner, and celebrate 6 years over cake and coffee; network with colleagues, and get the scoop from HTAB!
